We could not be happier with Craig Needles and Bowman Walker Real-estate. Craig not only sold our home, (which is a miracle in this economy)- he also found us a great deal on our new house. The thing that impressed Mariana and me the most, was the tenacious work ethic of the whole Bowman Walker Team. Whenever an obstacle came up, they faced it head on and knew how to get it resolved in a timely manner.

If your looking for a real estate company, Bowman Walker will not let you down.

Sincerely,
Ben and Mariana DeScala

P.S. Pops was very happy too!
